

THE STUDENT NURSES ASSOCIATION PRESENTS:

5B

Movie Night

Please join SNA to watch 5B, a film dedicated to the inspirational stories of the everyday heroes, nurses, and caregivers who took care of the patients on the first AIDS ward unit, 5B, in the United States at San Francisco General Hospital. The film follows the lives of health care professional, patients, and families in 1983 as they navigate this new disease and create care practices based in humanity and holistic wellbeing. This event is a can't miss and will be followed by a short discussion.
