ABOUT ELNEC

The End-of-Life Nursing Education Consortium (ELNEC) project is a national and international education initiative to improve palliative care, in collaboration with City of Hope in Duarte, CA. and the American Association of Colleges of Nursing (AACN) in Washington, DC. The project provides training in palliative care with essential information to nursing students and practicing nurses, including undergraduate and graduate nursing faculty, continuing education providers, staff development educators, specialty nurses in pediatrics, oncology, critical care, geriatrics and advanced practice nurses. ELNEC also welcomes other health care professionals.

Advancing Palliative Care

ELNEC SUMMIT OVERVIEW

The ELNEC Summit offers two ELNEC Train-the-Trainer courses simultaneously: APRN Adult and Core. Please choose only one course during main conference.

While ELNEC is developed by nurses for nurses, we welcome all nurses, social workers, physicians, chaplains, and volunteers etc., who have an interest in palliative care.

Intended Audience for APRN Adult: Masters, PhD, or DNP prepared APRNs (nurse practitioners, clinical nurse specialists, midwives, and nurse anesthetists).
